

COURTICE SECONDARY SCHOOL – CO-OP FAIR

Format: Carousel Style Presentation

Materials:

- Display Board...\$4.00
- Props & or interactive materials from the workplace

Assignment:

- Prepare a display, which demonstrates your workplace
- Be sure to focus on the key jobs that are done in the workplace
- Students will be examining your display and voting on the best three displays
- Your display will be evaluated by your Co-op teacher (see the evaluation rubric on the next page)
- Each display must have:
 - A title which names your workplace
 - Your job title
 - Information about your workplace
 - Information outlining the education and training needed for you and other employees at your workplace

One Page Handout:

- Outlining your job description.
- What are your duties?
- What did you like most about your work?

Presentation

- Students will be touring the room asking questions about your work site and your display.
- You provide information about the duties and background education and skills required to work effectively.
